

Stigma 101

# それぞれの決意

Respective Determinations

That brat Rin leaving his motorcycle and wallet behind, just like that, and not showing his face for two days straight...

I'm not gonna care about that brat!!

I'll give you  
back your  
things, so  
don't run  
away!!

Don't  
you hide  
and  
peep  
from a  
corner!!

*will come  
back here  
tomorrow  
and  
work!!*

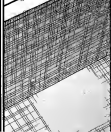

*Makoto!!*

*I will do  
as you  
say, and  
won't  
use the  
Stigma!!*

*In order to  
meet the target  
of ¥200,000  
without using  
the Stigma, I will  
work my heart  
out...!!*

I... will  
push on,  
starting  
from  
today!!

Thank you!  
I'll do my  
best!!

No!

Well, either  
way, it's  
gonna  
be like  
squeezing  
blood from  
a stone...

As well  
as those  
women  
inflicted by  
the Stigma!!

My  
job  
too!

Even if time  
isn't on our side,  
we have to start  
somewhere!!

Hello, is this  
the Motege  
Flour Milling  
Company? I'd  
like to ask  
for a quote for  
La-Colombe.

Yes.

Yes.

I will find a  
way to move  
forward  
alone,  
without  
disgracing  
myself, so...

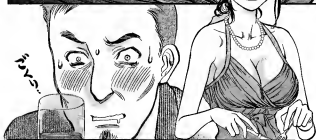

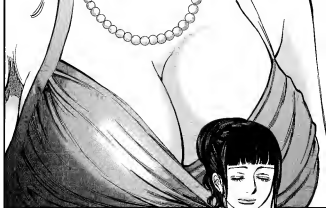

...too.

Chizuru-  
chan!

Please  
wait for  
me!!

Oh,  
no, no,  
no.

That time...  
was really disrespec-  
ful and I  
ought to...

That you're here  
helps to change

Still, after the  
incident where  
you disappeared  
without a trace, I  
realized how much  
you meant to me.  
It's the truth!

Just kidding,  
that isn't some-  
thing I should  
say to a lady  
who's getting  
married.

Admire  
her to  
death

Eh?

Even though  
I made a  
promise...  
I've loved...

Ohizuru

Sorry for the wait.

Oh my, Chizuru.

Because I was stuck at work, my fiancé had to seek you out to accompany her to dinner in my place.

Myamoto-san, do excuse me.

No, this isn't what you think.

huh?

Haaa!

O-  
Oofori-  
sensei-P

Subjecting me to this and mocking him... what's the fun in that?

That's cruel.

Delivering a punchline as I planned. It's like a comedy show.

Even as your fiancé, I want to flaunt you in this dress, so the other guys ogle at your breasts.

The dress looks good on you.

I guess you're ready for this.

!

Seeing that you're staying with me tonight,
